My gardeners has been in my employ since approx 1996. He is extremely trustworthy, and is good with dogs. He is very much a part of my family. I also at times get him to help me a lot in the house with painting chores. And will always be willing to help where he can. He currently has two days a week free. If there is any way in which you could assist me or advise me on where to advertise for him, to help find him a replacement job, I would much appreciate it.

SECURITY NEWS

Residential burglaries and violent crimes, after spiking slightly last month have returned down to their previous low levels. Sunninghill Community however, continues to battle with smash and grabs and theft out of motor vehicles. In the past week alone 6 incidents of theft out of motor vehicles and two smash and grabs were reported to the Sandton Saps. We once again call on all residents to **NOT KEEP VALUABLES IN SIGHT** when driving through intersections. Generally victims of smash and grabs have something of value in view of criminals at intersections. We also urge you to not take your laptop with you when you visit shopping centres. Ensure that when you attempt locking your vehicle IT IS INDEED LOCKED. Make sure the locking has not been jammed by the notorious remote locking jamming devices being used by criminals. There have been many articles in the news, in our emails etc about this and yet the theft of laptops out of vehicles where the victims are amazed because they locked their cars continue and is increasing at an alarming rate. Check your vehicle is locked, or better still, lock your vehicle with your key and if possible don't carry your laptop with you.

We have the best businesses and residents in Sunninghill!!!! Some huge THANK YOU's:

Thanks once again to Massmart – we are eventually busy with the installations of the CCTV cameras they sponsored on the cnr of Peltier and Maxwell Drive.

Thank you to Grace Avenue on the cnr of Peltier and Maxwell who have not only supplied us with electricity free of charge for our new cameras, but sponsored the connection and distribution boxes we needed. You chaps are great!!

Thank you to John van Reenen who is sponsoring additional cameras in Sunninghill Estates on the cnr of Faraday and Edison Crescent. This is the second cluster of CCTV cameras sponsored by John, the first being on the cnr of Tesla and Edison. We are extremely fortunate to have you as one of our residents and Sunninghill Community member.

A reminder to residence that should you become a victim of crime and/or need to contact the SAPS you can contact the Sandton Saps dedicated to our area directly. The numbers to call are:

071 675 6093 or 071 675 6094

The Savika Armed Response control room number is 0861savika or 0861728452

You should only contact the old 10111 if you cannot get hold of the vehicles listed above. Remember too that when dealing with the SAPS take down the identification number on the Saps van eg **SD19**. All vehicles are marked with these numbers. These form a basis for identifying who you have dealt with for compliments or complaints
